

John Frusciante, Maybe (Live At Slane Castle)

Maybe...
If I could, have you back,
You'd come back to me...
And maybe...
If I could, everyday,
You'd come back to stay...
oOoOoh maybe...
Maybe...
If I could, hold your hand,
You will understand...
And Maybe, If I kiss your lips,
I would be at your command...
oOoOoh maybe...
oOoOoh maybe...
