

# John Frusciante, Maybe (Live At Slane Castle)

Maybe...

If I could, have you back,

You'd come back to me...

And maybe...

If I could, everyday,

You'd come back to stay...

oOoOoh maybe...

Maybe...

If I could, hold your hand,

You will understand...

And Maybe, If I kiss your lips,

I would be at your command...

oOoOoh maybe...

oOoOoh maybe...
