Ahhh softer rook, sweet heart noisy waters
P-peach come shaking trance
Long benches for heads failas bra (?)
Hand down feel a pawn an ending yeah
Laxatives munich in pawn soap ??

Sight can't you I'll see have I'll see

You when say you do It maybe turn the
All light, light the where wait turn
All right fly with me can't, can't
You fall its a scienty the fall or
Makes head crystal I'll taste
