

# John Gregory, Ride Of Your Life

Wishin on a shootin star  
But dreams alone wont get you far  
Can't deny your feelings anymore  
The world is waiting right outside your door  
What are you waiting for?

C'mon here's your chance  
Don't let it slip right through your hands  
Are you ready for the ride of your life?  
Your dreams are riding on the wind  
Just reach out and pull them in  
Get ready for the ride of your life  
The ride of your life

In your heart  
You know what you must do  
You only have yourself to answer to  
Don't let fear of falling hold you down  
Your spirits flying high above the clouds  
You're going there

C'mon here's your chance  
Don't let it slip right through your hands  
Are you ready for the ride of your life?  
Your dreams are riding on the wind  
Just reach out and pull them in  
Get ready for the ride of your life  
The ride of your life

You're on your way  
No looking back  
There's no future living in the past  
You're free at last  
Laaaaaaaaaast

You're free at last

C'mon here's your chance  
Don't let it slip right through your hands  
Are you ready for the ride of your life?  
Your dreams are riding on the wind  
Just reach out and pull them in  
Get ready for the ride of your life  
The ride of your life

C'mon  
C'mon  
Get ready  
Yeah Yeah Yeah

Yours dreams are riding on the wind  
Just reach out and pull them in  
Get ready for the ride of your life
