

# John Hiatt, Have A Little Faith In Me

When the road gets dark

And you can no longer see

Just let my love throw a spark

And have a little faith in me

And when the tears you cry

Are all you can believe

Just give these loving arms a try

And have a little faith in me

And

CHORUS:

Have a little faith in me

Have a little faith in me

Have a little faith in me

Have a little faith in me

When your secret heart

Cannot speak so easily

Come here darlin'

From a whisper start

To have a little faith in me

And when your back's against the wall

Just turn around and you will see

I will catch, I will catch your fall baby

Just have a little faith in me

REPEAT CHORUS

SUNG OVER FADE:

Well, I've been loving you for such a long time girl

Expecting nothing in return

Just for you to have a little faith in me

You see time, time is our friend

'Cause for us there is no end

And all you gotta do is have a little faith in me

I said I will hold you up, i will hold you up

Your love gives me strength enough

So have a little faith in me
