

# John Hiatt, It's All Right With Me

Spend my money but love me honey.

Break my heart but be my girl.

I just want you to be there when I come home.

Drive my new car; smoke my cigar.

Buy you diamonds and your pearls.

Ooh ooh treat me like a dog but throw a little meat on them bones.

CHORUS:

And it's all right.

Yes, it's all right.

It's all right with me.

REPEAT CHORUS

You can hurt me but don't desert me.

Leave me runnin' but stay all night.

I want you to know your love is what I need.

You can use me but don't refuse me.

Turn me back but do me right.

I just want you to know my love is guaranteed.

REPEAT CHORUS THREE TIMES
