

John Hiatt, Maybe Baby, Say You Do

Baby, baby do you love me baby?

Are you thinkin' of me baby, baby?

Maybe baby, say you do!

Baby, will you be my honey baby?

I ain't got no money baby, baby.

Maybe baby, say you do!

I've been a-selling hot dogs.

I've been trying to get to you.

I've been bowlin' and a rollin'

But there ain't nothin' seems to do.

Baby, baby do you need me baby?

Got the heebee geebies baby, baby.

Maybe baby, say you do!

Baby, will you be my only baby?

I'm so tired and lonely baby, baby?

Maybe baby, say you do!

I've been a-standin' in line,

With catsup on my shirt.

I've been a-dancin' like a chicken

But there ain't nothin' seems to work.

Baby, baby do you love me baby?

Are you thinkin' of me baby, baby?

Maybe baby, say you do!

Maybe baby, say you do!

Well now, maybe baby, say you do!
