

# John Holt, Stick By Me

Stick by me (and) I&#039;ll stick by you  
Stick by me (and) I&#039;ll stick by you  
My life on earth would be useless can&#039;t you see  
If I didn&#039;t have you to stick by me.

I love you darling and that&#039; no lie, Stick by me...  
When you cry, I cry, too, Stick by me...  
Remember my heart and my love belong to you, oh  
Stick by me and I stick by you

Friends may try to hurt us  
scandalize our relate  
Noone, noone can tear us apart  
you&#039;ve got a place in my heart

I love you darling and that&#039; no lie, Stick by me...

Friends may try to hurt us...

I love you darling and that&#039; no lie, Stick by me...  
When you cry, I cry, too, Stick by me...  
Remember my heart and my love belong to you, oh  
Stick by me and I&#039;ll stick by you  
Stick by me and I&#039;ll stick by you
