

# John Lee Hooker, Like jesse james

Im bad, Im Bad  
Like Jesse James, aha  
I had a friend one time, Least I thought I did  
He came to me, Said: Johnny  
I said: what man?, Im out of door  
I said: yes?, I took the cat in  
Gave him a place to stay, And I found  
Hes going round town, Telling everybody that he  
He got my wife, Then I got so mad  
I went to the cat, Like a good guy should  
I said: look man, Im gonna warn you  
Just one time, Next time when Ill warn you  
Im gonna use my gun  
cause Im mad, Im Bad  
Like Jesse James, Im so mad  
Im gonna run to you this morning  
I got three boys, To do my dirty work  
Now you dont see me, Im the big boss  
I do the pay off, After they take care of you  
In their own way, They may shoot you  
They may cut you, They may drown you  
I just dont know, I dont care  
As long as they take of you  
In their own way  
Im bad, Im Bad  
Like Jesse James  
Im bad this morning like jesse james  
Theyre gonna take you right down  
By the river side  
Now four is going down  
Aint but three are coming back  
Read between the lines whats gonna happen to you  
cause Im bad, Im Bad  
Like Jesse James  
Theyre gonna tie your hands  
Theyre gonna tie your feet  
Theyre gonna gag your throat  
When you cant hollow  
And crying wont help you, no  
Theyre gonna send you in the water  
Till the bubbles are coming up
