

John Lee Hooker, She's Mine

(John Lee Hooker)

Keep your hand to yourself, she belong to me
Keep your hand to yourself, she belong to me
All mine, she's all mine
Leave her alone!
Hands off!
Hands down!

All mine
She's my baby
I love her
She's gonna love me
Oh baby
Oh yeah
Oh yeah

Oh yeah

Now look buddy, keep your hand down, to yourself
It's all mine, all my property
Don't belong to you
Hands down, and eyes open
Oh baby, you're mine
Oh baby, all mine
All mine!
