

# John Lee Hooker, When My First Wife Left Me

(John Lee Hooker)

When my first wife left me, she left my heart in misery  
When my first wife left me, she left my heart in misery  
Ever since that day boy, I don't think I'll ever love again

If I can get her back again, I'll never roam no more  
If I get her back again, boys, I never roam no more  
I had a good wife, but I did not treat her right

It's my fault, only have myself to blame  
It's my fault, it's my fault boys, I only have myself to blame  
She would have been home right now, if I hadn't wanted every woman that I seen

I found out one thing, these women don't mean you no good  
I found out one thing people, these women don't mean you no good  
You mistreated a good girl for some woman, that she'd turn around and turn her back on you  
Yes, yeah

I'm having bad luck, having bad luck ever since she been gone  
I'm having bad luck, bad luck, bad luck, ever since my baby been gone  
When she was at home, Lord, I did not treat her right
