

# John Lee Hooker, You're Looking Good Tonight

(John Lee Hooker)

Oh yeah, you're lookin' good again tonight  
Oh baby, you're lookin' good again tonight  
I believe pretty baby now I'm gonna will my love to you

When I'm dead and gone, in my grave, you'll have plenty money baby to think about it  
When I'm gone, but oh yeah, will my love to you  
When I'm dead and gone baby, you'll always have my love

Oh yeah, you're lookin' good again tonight  
Oh yeah, you're lookin' good again tonight  
When I'm dead and gone baby, I'm gonna will my love to you

What I live for, is only you, nobody else baby, can have my love but only you, but oh yeah yeah  
You're lookin' good to me again tonight, yeah  
When I'm dead and gone baby, I will my love to you

I don't care what the, world may say,  
They may talk about to scandalize your name at home  
Come with me baby that you so good to me, but sir\*  
Oh yeah, will my love to you  
When I'm dead and gone baby, I'm gonna will my, ooh, love to you
