

John Legend, Cross The Line

Only just a friend the love story begins
Now here's a happy ending to believe in
you're always there for me, now you're with me in dreams
It's got me wondering if you ever dream of me
I don't wanna risk losing everything
but I'll take the chance and tell you what I'm thinking

Girl, you've been my best friend
Can we put this to bed then
Tonight's the night to cross the line
Baby won't you be mine
Not just my home girl
Time that I take you home girl
Tonight's the night to cross the line
Let me love you tonight.

I ... I ... I ...

Kiss (kiss) kiss (kiss) kiss me on my lips
We've been dancin round the moment now we're doin it
Then breathe (breathe) breathe (breathe) a sigh of sweet relief
We been holding it so long the wait was killing me
Oh and we oh and we have been waiting for
So baby open your mind while I close the door

Oh girl,
you've been my best friend
Can we put this to bed then
Tonight's the night to cross the line
Baby won't you be mine
Not just my home girl
Time that I take you home girl
Tonight's the night to cross the line
Let me love you night

I ... I ... I ...

Don't let this moment slip away
Cause we'll never know unless we try it someday
If you're ready I'm so ready
Tonight's the night
Tonight's the night

Oh girl,
you've been my best friend
Can we put this to bed then
Tonight's the night to cross the line
Baby won't you be mine
Not just my home girl
Time that I take you home girl
Tonight's the night to cross the line
Let me love you night
