

John Legend, Selfish (Remix)

[Chorus:]

I'm callin'

Out to

All my

Y'all my ladies, and I can't

Let you

Be with, no one, but me, baby

Gotta admit to this little addiction

To the ladies and they just can't fix him

Conversation and the drinks start mixin'

And I'm a champ like the Detroit Pistons

I tried to contain myself

But I can't restrain myself

I can only blame myself

Maybe I need to get some help

So what can I do?

It's so hard to chew

This one's for you

Yeah all of you

[Chorus:]

I'm callin'

Out to

All my

Y'all my ladies, and I can't

Let you

Be with, no one, but me, baby

The startin' five how do I pick them?

I came up with this rating system

I think about how it feels when I kiss them

And when I'm gone do I truly miss them?

Well baby, you made the team

Now go cook my favorite things

Some greens and some chicken wings

Tastes so good that you make me wanna sing

So what can I do?

It's so hard to chew

This one's for you

Yeah all of you

[Chorus: x2]

I'm callin'

Out to

All my

Y'all my ladies, and I can't

Let you

Be with, no one, but me, baby

I'm callin'

Out to

All my

Y'all my ladies, and I can't

Let you

Be with, no one, but me, baby
