

# John Legend, She Don't Have To Know

Oohhhhhh stealing moments just to be with you  
Though its wrong its hard to tell the truth  
But she don't have to know  
She don't have to know

When I meet cha  
I got my shades on to cover up my eyes  
I'm hoping that nobody sees me passing by  
Through my disguise  
I still know you recognize

But you  
I know you got a lil secret of your own  
Sneaking out with me while your mans at home  
You know your wrong  
But its so strong still carrying on

I go  
To the other side of town so I  
Will never risk the chance of catching her eye  
Cause she don't have to know  
She don't have to know  
Oohhhh  
Girl I know your doing the same thing too  
But I wont tell your man the things we do oh no  
Cause he don't have to know  
He don't have to know

Someone's watching  
We got to be careful next time or we're through  
(creeping creeping)  
Damn it's so stressful doing the dirt we do  
So sad but true  
And I know one day  
I'm going to pay

Then you ask me  
To sneak out of town for just a day or three  
(1,2,3)  
Go to dc and hold hands publicly  
All through the streets  
Cause they don't know you and they don't know me

Ohhhhhh  
Ill feel sorry for mistake we've made  
But there's no reason that we should tell her today  
Ohhhhhh  
Though you give a lot of love to me  
Girl I know I'm not the only one you see  
But he don't have to know  
He don't have to know

Ohm its getting crazy  
I don't want to hurt my baby  
And I know its supposed to be the last time for you and I

But let's not end this way  
Wait another day.
