

# John Legend, Tonight (Best You Ever Had) (ft. Lu

Ah,  
Alright.

Ain't this what you came for  
Don't you wish you came, oh  
Girl what you're playing for  
Ah, come on  
Come on, let me kiss that  
Ooh, I know you miss that  
What's wrong, let me fix that  
Twist that

Baby, tonight's the night I let you know  
Baby, tonight's the night we lose control  
Baby, tonight you need that, tonight believe that  
Tonight I'll be the best you ever had

I don't wanna brag, but I'll be  
The best you ever had

I don't wanna brag, but I'll be  
The best you ever had

I hit you with the best stroke,  
Freestyle and the breaststroke  
Til you blow a cigarette smoke  
And now the bed's broke  
So what we gon' do now  
Fuck it, round two now  
Work it out, then we cool down  
Cool down

Baby, tonight's the night I let you know  
Baby, tonight's the night we lose control  
Baby, tonight you need that, tonight believe that  
Tonight I'll be the best you ever had  
I don't wanna brag, but I'll be  
The best you ever had

I don't wanna brag, but I'll be  
The best you ever had

[Ludacris:]  
Luda, listen...  
You ain't even gotta text me  
Knowin' me and you got that mental telepathy  
Meet me up at the spot,  
I'll be sending over the chauffeur  
Rich nigga bread, stay poppin' up like a toaster  
Nobody come close to me and you together  
Step under my umbrella, we'll make it through any weather  
Except when I make it storm, sex in the greatest form  
And hibernate under my body  
Yep I keep it warmer than a chinchilla  
She know I beat it up like the thriller in Manila  
Flying my private jet to villas in Anguilla  
Than throw you on a grill  
Cause seven days a week you're my 5 course meal  
For real!

Baby, tonight's the night I let you know  
Baby, tonight's the night we lose control  
Baby, tonight you need that, tonight believe that  
Tonight I'll be the best you ever had

I don't wanna brag, but I'll be  
The best you ever had

I don't wanna brag, but I'll be  
The best you ever had
