

# John Legend, Tossin' & Turnin'

You got me tossin' and turnin' all night  
Lying there waitin' til the morning light  
Ever since the time that I cheated on you  
I knew the day would come when I'd be in your shoes  
And it's got me tossin' and turnin' all night  
I never wanna let you out of my sight  
I knew when I did it that it just wasn't right  
You've got me tossin' and turnin' all night  
It's funny how the tables turned  
It's funny how the lesson's learned  
I thought I could sneak around  
You knew what was goin' down  
Now I know I made a mistake  
But you now you wanna reciprocate  
You got me worried all the time  
I think I'mma lose my mind  
You got me tossin' and turnin' all night  
Lying there waitin' til the morning light  
Ever since the time that I cheated on you  
I knew the day would come when I'd be in your shoes  
And it's got me tossin' and turnin' all night  
I never wanna let you out of my sight  
I knew when I did it that it just wasn't right  
You've got me tossin' and turnin' all night  
I saw you lookin' at my friends  
Baby here we go again  
While I'm tryna make amends  
You steady tryna get revenge  
You say that I'm paranoid  
But I don't really have a choice  
You never look me in the eye  
And I know the reason why  
You got me tossin' and turnin' all night  
Lying there waitin' til the morning light  
Ever since the time that I cheated on you  
I knew the day would come when I'd be in your shoes  
And it's got me tossin' and turnin' all night  
I never wanna let you out of my sight  
Knew when I did it that it just wasn't right  
You've got me tossin' and turnin' all night  
Got me tossin' and turnin'  
Yeah got me tossin' and a-turnin'  
Whoa tossin' and a-turnin'
