

John Lennon, Attica State (Live)

What a waste of human
power
What a waste of human lives,
shoot the prisoners in
the towers
Forty-three poor widowed
wives

Media blames it on the
prisoners,
But the prisoners did not kill
"Rockefeller pulled the trigger";
That's what the people feel.

Attica, Attica state, we're all
mates with Attica state.

Free the prisoners, free
the judges
Free all the prisoners everywhere,
All they want is truth
and justice
All they need is love and care

They all live in suffocation,
Let's not watch them die
in sorrow,
Now's the time for revolution,
Give them all chance to grow.

Attica state.....

Come together join the movement,
Take a stand for human rights,
Fear and hatred clouds
our judgement,
Free us all from endless
night,

Attica state....
We are all mates...
We all live in.....
Attica, Attica, Attica state.
