

# John Lennon, Bless You

(John Lennon)

Bless you wherever you are  
Windswept child on a shooting star  
Restless Spirits depart  
Still we're deep in each other's hearts

Some people say it's over  
Now that we spread our wings  
But we know better darling  
The hollow ring is only last year's echo

Bless you whoever you are  
Holding her now  
Be warm and kind hearted  
And remember though love is strange  
Now and forever our love will remain
