

# John Lennon, I Don't Wanna Face It

(John Lennon)

Say you're looking for a place to go  
Where nobody knows your name  
You're looking for oblivion  
With one  
Eye on the Hall of Fame

I don't wanna face it oh no  
I don't wanna face it no no no no  
Well I can dish it out  
But I just can't take it

Say you're looking for some peace and love  
Leader of a big old band  
You wanna save humanity  
But it's people that you just can't stand

I don't wanna face it oh no  
I don't wanna face it no no no no  
Well I can sing for my supper  
But I just can't make it

Well now you're lookin' for a world of truth  
Trying to find a better way  
The time has come to see yourself  
You always look the other way

I don't wanna face it oh no  
I don't wanna face it no no no no  
Well I can see the promised land  
And I know I can make it!

I don't wanna face it I know  
I don't wanna face it oh no  
I don't wanna face it oh no  
I don't wanna face it

I don't wanna face it

I just can't face it no more  
Every time I look in the mirror  
I don't see anybody there
