## John Lennon, Instant Karma! (We All Shine On)

Instant Karma's gonna get you Gonna knock you right in the head You better get yourself together Pretty soon your gonna be dead

What in the world you thinking of? Laughing in the face of love What on Earth you tryin' do? It's up to you Yeah, you

Instant Karma's gonna get you Gonna hit you right in the face You better get yourself together darling Join the human race

How in the world you gonna see? Laughing at fools like me Who on Earth d'you think you are A superstar? Well, right you are

Well we all shine on Like the moon and the stars and the sun Well, we all shine on Everyone, c'mon

Instant Karma's gonna get you Gonna knock you off your feet Better recognise your brothers Everyone you meet

Why in the world are we here? Surely not to live in pain and fear Why on Earth are you there When you're everywhere Gonna get your share

Well we all shine on Like the moon and the stars and the sun Yeah, we all shine on C'mon and on and on, on, on

Yeah, yeah Alright Uh-huh

Well we all shine on Like the moon and the stars and the sun Yeah, we all shine on On and on and on, on and on

And we all shine on
Like the moon and the stars and the sun
Well, we all shine on
Like the moon and the stars and the sun
Yeah, we all shine on
Like the moons and the stars and the sun
Yeah, we all shine on
Like the moon and the stars and the sun
