

# John Lennon, Long Lost John

"Hmm, I think the piano maybe is better, I just realised the...? ...hmm... hello, Yoko... yeah!&

Well, he's long, long, lost John  
Long, long, lost John

Lost john standing by the railroad track  
A-waitin' for the freight train to come back  
The freight train come back but never made a stop  
Lost john thought he'd have to ride the top

Well, he's long, long, lost John  
Yeah, long, long, lost John

Well, lost john standing by the railroad track  
A-waitin' for the freight train to come back  
The freight train come back but never made a stop  
Lost john thought he'd have to ride the top

Well, he's long, long, long lost John  
Well, he's long, long, lost John

Well, lost john standing by the railroad track  
A-waitin' for the freight train to come back  
The freight train come back but never made a stop  
Lost john thought he'd have to ride the

Well, long, long, long John  
Well, oh yeah

I got it about at half past three  
You don't look out, she's gonna spew on me  
I'm gonna run, railroad bill  
I'm gonna run

"Hello, Richard? Mo, Mo, I'm different, that's one of the problems with it&
