John Lennon, Long Lost John

"Hmm, I think the piano maybe is better, I just realised the...? ...hmm... hello, Yoko... yeah!&c

Well, he's long, long, lost John Long, long, lost John

Lost john standing by the railroad track A-waitin' for the freight train to come back The freight train come back but never made a stop Lost john thought he'd have to ride the top

Well, he's long, long, lost John Yeah, long, long, lost John

Well, lost john standing by the railroad track A-waitin' for the freight train to come back The freight train come back but never made a stop Lost john thought he'd have to ride the top

Well, he's long, long, long lost John Well, he's long, long, lost John

Well, lost john standing by the railroad track A-waitin' for the freight train to come back The freight train come back but never made a stop Lost john thought he'd have to ride the

Well, long, long, long John Well, oh yeah

I got it about at half past three You don't look out, she's gonna spew on me I'm gonna run, railroad bill I'm gonna run

" Hello, Richard? Mo, Mo, I'm different, that's one of the problems with it"
