John Lennon, Starting Over

When when you smile when you smile at me Well well I know our love will always be -When when you kiss when you kiss me right I don't want to ever say good-night! I need yoru I want you near me I love you yes I do and I hope you hear me When when I say when I say " Be mine " if you will I know all will be fine -When will you be mine - oh baby -I need you I want you near me I need you I want you near me When will you be mine -When will you be mine -When will you be mine . . .
