

John Lennon & Yoko Ono, Borrowed Time

When I was younger
Living confusion and deep despair
When I was younger, a-ha
Living illusion of freedom and power

When I was younger
Full of ideals and broken dreams (my friend)
When I was younger, a-ha
Everything simple but not so clear

Living on borrowed time
Without a thought for tomorrow
Living on borrowed time
Without a thought for tomorrow

Ba ba ba ba ba ba ba ba
Ba ba ba ba ba ba ba ba

Now I am older
The more that I see, the less that I know for sure
Now I am older, a-ah
The future is brighter and now is the hour

Living on borrowed time
Without a thought for tomorrow
Living on borrowed time
Without a thought for tomorrow

Good to be older
Would not exchange a single day or a year
Good to be older, a-ha
Less complications, everything clear

Living on borrowed time
Without a thought for tomorrow
Living on borrowed time
Without a thought for tomorrow

Am I gonna get another pimple?
Does she really love me?
All that crap
