

John Lennon & Yoko Ono, Don't Be Scared

Don't be scared
Don't be scared
Don't be scared to love "(to love, to love)"
Better to love than never love at all
Don't be scared

Don't be shy
Don't be shy
Don't be shy to tell "(to tell, to tell)"
You may lose the chance to tell
Don't be shy

When your hearts are lit
Drop your survival kit
Then you never have to
Run or split

Sun in the east
Moon in the west
This boat's moving slow "(slow, slow)"
There's no land in sight at all
Away we go

Don't be scared
Don't be scared
Don't be scared to love "(to love, to love)"
It's better to love than never love at all
Don't be scared
