John Leyton, Johny remember me

When the mist's a-rising And the rain is falling And the wind is blowing cold across the moor I hear the voice of my darlin' The girl I loved and lost a year ago (Johnny remember me) Well it's hard to believe I know But I hear her singing in the sighing of the wind Blowin' in the tree tops way above me (Johnny remember me) Yes I'll always remember Till the day I die I'll hear her cry Johnny remember me Well some day I guess I'll find myself another little girl To take the place of my true love But as long as I live I know I'll hear her singing in the sighing of the wind Blowin' in the tree tops way above me (Johnny remember me) Yes I'll always remember Till the day I die I'll hear her cry Johnny remember me (Johnny remember me)
