

John Lundvik, My Turn

Breath in and out
I see clearer now
And I know even though I'm scared this time
How could I say no
When everything I feel is right?

So tell me baby, tell me that I'm ready to fly
Cause everything around me saying smile, you'll be fine
I ain't gonna miss it
I ain't letting go
It's my turn!

Time
Heart and mind are ready to learn
here and now
And I know even thou I'm scared this time
How could I say no
When everything I feel is right?

So tell me baby tell me that I'm ready to fly
Cause everything around me saying smile, you'll be fine
I ain't gonna miss it
I ain't letting go
It's my turn!

I know that I;ve been hidn'
but I won't anymore
there's nothing that can stop me
I;m will snad till I fall
I ain;t gonna miss it
I and't letting go
it's my turn

So tell me baby tell me that I'm ready to fly
Cause everything around me saying smile, you'll be fine
I ain't gonna miss it
I ain't letting go
It's my turn!
