

# John Mayall, All Your Love

All the love I miss loving, all the kiss I miss kissing  
All the love I miss loving, all the kiss I miss kissing  
Before I met you baby, never knew what I was missing

All your love, pretty baby, that I got in store for you  
All your love, pretty baby, that I got in store for you  
I love you pretty baby, well I say you love me too

All your loving, pretty baby, all your loving, pretty baby

All your loving, pretty baby, all your loving, pretty baby  
Since I first met you baby, I never knew what I was missing

Hey, hey baby, hey, hey baby  
Yeah, yeah, yeah, yeah, yeah, baby, oh, oh, baby  
Since I first met you baby, never knew what I was missing
