

# John Mayall, Ramblin' On My Mind

I got rambling, I got rambling all on my mind.  
I got rambling, I got rambling all on my mind.  
I needs to leave my baby 'cause she treats me so unkind.

I'm going down to the station, catchin' the fastest train I see.  
I'm going down to the station, catchin' the fastest train I see.

I got the blues 'bout miss so-and-so and her son's got the blues about me.

I got mean things, I got mean things all on my mind.  
Little girl, little girl, I got mean things all on my mind.  
I needs to leave my baby 'cause she treats me so unkind.
