

John Mayall's Bluesbreakers, Another Man

Another man done gone

Another man done gone

Another man done gone, another man done gone, another man done gone

On the country farm

He's on the country farm, on the country farm, he's on the country farm

Another man done gone

Another man done gone, another man done gone, another man done gone

I don't know his name

Didn't know his name, I didn't know his name, I didn't know his name
