

John Mayall & The Bluesbreakers, Another Man

Another man done gone.

Another man done gone.

Another man done gone, another man done gone, another man done gone.

On the country farm.

He's on the country farm, on the country farm, he's on the country farm.

Another man done gone.

Another man done gone, another man done gone, another man done gone.

I don't know his name.

Didn't know his name, I didn't know his name, I didn't know his name.
