

# John Mayer, Bare Ballin

There's a new sensation  
Sweeping all the nation  
And they're calling it  
Bare ballin it, bare ballin it

Well I seem to have forgotten  
the crucial layer of cotton  
We're all in it, we're all in it  
We're bare ballin it  
There's nothing that you don't see  
After my jeans it's only just me  
Call me a Fleshy Fernando  
I'm goin commando!  
I'm ballin it.

There's a new sensation  
Sweeping all the nation  
And they're calling it  
Bare ballin it
