

John Mayer, Come When I Call

Why won't you come baby
Why won't you come when I call
Why won't you come baby
Why won't you come when I call
Im not up to something funny
I just wanna know you girl is all

You got to know baby
Everybody's free sometime
You got to know baby
Everybody's free sometime
Could you get to spare a moment
I can't seem to get you off my mind

Friday night your busy
Something else to do
Saturday is sleeping
You got work on sunday too

Why won't you come baby
Why won't you come when I call

Im not up to something funny
I just wanna know you girl is all

[Solo]

Keep the motor running
Leave your jacket on
If I had my way you would be driving home at dawn

Why won't you come baby
Why won't you come when I call
Im not up to something funny
I just wanna know you girl is all

Why won't you come baby
Why won't you come when I call
Why won't you come baby
Why won't you come when I call
Im not up to something funny
I just wanna know you girl is all
