

John Mayer, Covered In Rain

These days, with the world getting colder,
She spends more time sleeping over
Than I planned.

Tonight we're gonna order in,
Drinking wine and watch some CNN.
It's dark I know but then again
It's the brightest thing I got

When I'm covered in rain
When I'm covered in rain, rain, rain, rain
no, I am covered in rain, rain
Firewoods to fire places
Summer snow and fallen places
now we're people watching other people, people watching you and I
Standing by the missing signs at the CVS by the checkout line
Put your tiny hands in mine
Cause your the brightest thing I got

When you're covered in rain
Cause I'm covered in rain
Cause I'm covered in rain
No I'm covered in rain

And It's alright
If you dont want to go on
And It's alright
If you dont want to be alone
And It's alright
If you dont want to go home

Come December Lydia left
Mentioned Something about it being for the best
and I can't say I disagree
Now I'm standing facing west
tracing my fingers round a silhouette
I haven't gotten used to yet
but it's the brightest thing I got

And I'm covered in rain
Cus I'm covered in rain
Cus I'm covered in rain
You and me and everyone, covered in rain
