

# John Mayer ft. Good Charlotte, Time After Time

She makes me laugh  
She'll make me cry  
And when we talk  
She wonders why  
That i cant breathe into this life  
With the things she says  
I wanna die  
All the things we talk about  
You know they stay on my mind (on my mind)  
All the things we laugh about  
They'll bring us through it every time  
After time, after time  
Cuz your all i wanted to find  
Cuz your all i wanted to find  
And i would drive  
The whole night through  
Just so i could spend it with you  
I know your mine  
And i hope its true  
That when we fight  
We will make it through  
All the things we talk about  
You know they stay on my mind (on my mind)  
All the things we laugh about  
They'll bring us through it every time  
After time, after time  
Cuz your all i wanted to find  
Cuz your all i wanted to find  
I'm falling, I'm falling, I'm falling down  
I'm falling, I'm falling, I'm falling down  
I'm falling, I'm falling, I'm falling down  
I'm falling, I'm falling, I'm falling down  
Down, down, down...  
Cuz your all i wanted to find  
Cuz your all i wanted to find  
Cuz your all i wanted to find  
Cuz your all, yes your all
