

John Mayer ft. Good Charlotte, Time After Time

She makes me laugh
She'll make me cry
And when we talk
She wonders why
That i cant breathe into this life
With the things she says
I wanna die
All the things we talk about
You know they stay on my mind (on my mind)
All the things we laugh about
They'll bring us through it every time
After time, after time
Cuz your all i wanted to find
Cuz your all i wanted to find
And i would drive
The whole night through
Just so i could spend it with you
I know your mine
And i hope its true
That when we fight
We will make it through
All the things we talk about
You know they stay on my mind (on my mind)
All the things we laugh about
They'll bring us through it every time
After time, after time
Cuz your all i wanted to find
Cuz your all i wanted to find
I'm falling, I'm falling, I'm falling down
I'm falling, I'm falling, I'm falling down
I'm falling, I'm falling, I'm falling down
I'm falling, I'm falling, I'm falling down
Down, down, down...
Cuz your all i wanted to find
Cuz your all i wanted to find
Cuz your all i wanted to find
Cuz your all, yes your all
