

# John Mayer, How Much It Hurts

Speak, speak your mind  
Your always telling me I need to open mine  
And wait, wait your turn  
Then shut me out cause you've got nothing left to learn

Oh, you say there's nothing wrong with being proud  
So tell me what you love and say it loud  
Now here's the dose that you've been dishing out  
If you're listening this is how much it hurts  
If you're listening this is how much it hurts

Oh, I'm wrong  
I'm wrong again  
But not because of where I stand but where I've been  
And it burns  
Oh, you know it burns like hell

To know there's nothing I can do but wish you well

You say there's nothing wrong with being proud  
So tell me what you love and say it loud  
I've been good enough to stay and hear you out  
But you're wrong  
You're never wrong

Oh, you say there's nothing wrong with being proud  
Ya, so tell me what you love and say it loud  
I've been giving you the benefit of the doubt

If you're listening this is how much it hurts  
If you're listening this is how much it hurts  
If you're listening this is how much it hurts  
If you're listening this is how much it hurts
