

# John Mayer, In Your Atmosphere (Where the Light

I don't think I'm gonna go to LA anymore  
I don't think I'm gonna go to LA anymore  
I don't know what it's like to blame you  
Nothing's true  
I don't think I'm gonna go to LA anymore

I don't think I'm gonna go to LA anymore  
I'm not sure that I really ever could  
Hold on to a hotel key in a  
Bedroom neighborhood  
and go sleep-walking in Hollywood

I'm gonna steer clear  
Burn up in your atmosphere  
I'm gonna steer clear  
Cus I'd die if I saw you  
I'd die if I didn't see you there  
So I don't think I'm gonna go to LA anymore

Cus I miss you  
It sucks that I'm not mad

I don't think I'm gonna go to LA anymore  
I get lost on the boulevard at night  
Without your voice to tell me I love you, take a right  
the ten and the two is a lonely sight

I'm gonna steer clear  
Burn up in your atmosphere  
I'm gonna steer clear  
Cus I'd die if I saw you  
I'd die if I didn't see you

I'm gonna steer clear  
Burn up in your atmosphere here  
I'm gonna steer clear  
Cus I'd die if I saw you  
I'd die if I didn't see you there  
see you there

I think I'm gonna stay gonna stay gonna stay in the gray gonna stay  
All the street lights say nevermind nevermind  
All the canyon lines say nevermind  
Sunset says we see it all the time, nevermind, nevermind.
