

# John Mayer, Love Song For No One (Live)

This song's about... talkin to the person you haven't even met yet.  
Maybe they're rollin' around in the hay with someone else,  
but they're not as good as you'll be... you just have to wait your turn.

She's out there, he's out there,  
they're just learning what to contrast you against.

Stay at home alone on a Friday

Flat on my floor looking back

On old love

Or lack thereof

After all the crushes have faded

And all my wishful thinking was wrong

I'm jaded

I hate it

I'm tired of being alone

So hurry up and get here

So tired of being alone

So hurry up and get here

Get here..

Searching all my days just to find you

Not sure who I'm looking for

I'll know it

When I see you

Till then, I'll hide in my bedroom

Just staying up all night just to write

A love song for no one

I'm tired of being alone

So hurry up and get here

I'm so tired of being alone

So hurry up and get here

I could have met you in a sandbox

I could have passed you on the sidewalk

Could I have missed my chance

And watched you walk away?

Oh no away

yadadadada

dadadada

dadada..

I could have met you in a sandbox

I could have passed you on the sidewalk

Could I have missed my chance

And watched you walk away?

I'm tired of being alone

So hurry up and get here

So tired of being alone

So hurry up and get here

You'll be so good

You'll be so good for me

Ohh I know you'll be so good for me

For me
