

# John Mayer, Neon

When sky blue gets dark enough  
To see the colors of the city lights  
A trail of ruby red and diamond white  
Hits her like a sunrise

She comes and goes and comes and goes  
Like no one can

Tonight she's out to lose herself  
And find a high on Peachtree Street  
From mixed drinks to techno beats it's always  
Heavy into everything

She comes and goes and comes and goes  
Like no one can  
She comes and goes and no one knows  
She's slipping through my hands

She's always buzzing just like  
Neon, neon  
Neon, neon  
Who knows how long, how long, how long  
She can go before she burns away

I can't be her angel now  
You know it's not my place to hold her down  
And it's hard for me to take a stand  
When I would take her anyway I can

She comes and goes and comes and goes  
Like no one can  
She comes and goes and no one knows  
She's slipping through my hands

She's always buzzing just like  
Neon, neon  
Neon, neon  
Who knows how long, how long, how long  
She can go before she burns away
