

# John Mayer, Trust Myself

Hold on to whatever you find, baby  
Hold on to whatever will get you through  
Hold on to whatever you can, baby  
Cause I don't trust myself when I'm loving you

I'm not the man I used to be  
I haven't told it to my heart just yet  
I will talk my love a thousand roses  
I might leave it on the water...  
Hold onto whatever you get, baby  
Hold onto whatever will get you through  
Don't know how much longer I'll be here, babe  
Cause I don't trust myself  
Loving you  
Say, who do you love?  
Who do you love?  
Who do you love?  
You better call oh my...  
You better call oh my...

I won't talk myself forever in your arms  
And then I'll whistle to get out when I'm there  
Cause I can't tell you what I think I really want  
Cause when it comes down to it, I don't really care  
I don't even care anymore  
Hold onto whatever you want, baby  
Hold onto whatever will get you through  
Don't know how much longer I'll be around, baby  
Cause I don't trust myself when I'm loving you  
Say it now, who do you love?  
I gotta get proof  
Everyone's loving  
I've been waiting my life  
Ooooooh

Hold on to whatever you want, baby  
Hold on to whatever will get you through  
Leave right now, I'm tired of talking baby  
Cause I don't trust myself loving you

Hold onto whatever you want, baby  
Hold onto what you thought you needed  
The wind round here blows everything away  
And I don't trust myself on loving you  
I don't trust myself on loving you  
I don't trust myself on loving you  
I don't trust myself on loving you
