

John Mayer, Why Did You Mess With Forever?

I came by to get my things
Thank you for getting the door
But I don't feel right walking in no more

You think it's cold
I did my crying at home
And I'm numb now,
I'm numb now

Before I'm on my way
I've one more thing to ask,
Was it worth the price you paid
For my never coming back?

Why did you mess with forever?
Ooh...
Such a long time
To be unkind
Why did you mess with forever?

Don't you call me cruel
Cruel is what you're making me do
I stick to my rules
I'm at odds with me now
So stay, go, go ahead and stay

Before I'm on my way
I've one more thing to ask,
Was it worth the price you paid
For my never coming back

Why did you mess with forever?
Ooh...
Such a long time
To be unkind
Why did you mess with forever?

You ask to kiss me once 'goodbye'
But you already did on somebody else's lips
Ooh...

Tell the tiny chemicals
The ones you hold responsible
They lost me
You lost me
Now everything inside me tells me I should run to you
And throw my arms around you
Hold your streaming crying cheek against my own
And tell you nothing's wrong

But a wrong is what you were when you forgot
That we were going on,
We were going on
We were going on

Tell me why did you,
Why did you mess with forever?
Ooh...
What a long time
To be unkind
Why did you mess with forever?

Mmm....yeah
