

John McLaughlin, Industry

My debut's coming soon
And you already know what I want to do
You got my time on a dotted line
But you show up invited but before I sign it
Someone say I'm not making mistakes
But please don't be fake
My debut comes today
And my feelings have all run away
With the man that I am but understand
If I don't keep going it'll just go to show

That I've been beat by an industry I've never seen
This is me on my knees singing take it all from me, take it all
Speak to my needs, my needs take it all from me, take it all
This is me
So the crowd gets quiet I start to play
And I think they're buying what I've got to say
But to my defiance the music fades
And we all sit silent and I crawl back inside
Because it wasn't supposed to go this bad
When you grow silent I start to fall
