

# John McLaughlin, So close

You're in my arms  
And all the world is calm  
The music playing on for only two  
So close together  
And when I'm with you  
So close to feeling alive  
A life goes by  
Romantic dreams will stop  
So I bid mine goodbye and never knew  
So close was waiting, waiting here with you  
And now forever I know  
All that I wanted to hold you  
So close  
So close to reaching that famous happy end  
Almost believing this was not pretend  
And now you're beside me and look how far we've come  
So far we are so close  
How could I face the faceless days  
If I should lose you now?  
Were so close  
To reaching that famous happy end  
And almost believing this was not pretend  
Let's go on dreaming for we know we are  
So close  
So close  
And still so far
