

John Mellencamp, Do You Believe In Magic

Do you believe in magic in a young girl's heart
How the music can free her, whenever it starts
And it's magic, if the music is groovy
It makes you feel happy like an old-time movie
I'll tell you about the magic, gonna free her soul
It's like trying to tell a stranger 'bout rock and roll

If you believe in magic don't bother to choose
If it's jug band music or rhythm and blues
Just go and listen it all starts with a smile
You won't wipe off your face no matter how hard you try
Your feet start tapping and you can't seem to find
How you got there, it all blows your mind

If you believe in magic, come along with me
And we'll dance until morning baby just you and me
And maybe, if the music is right
I'll see you tomorrow, late at night
And we'll go dancing, baby, then you'll see
How the magic's in the music and the music's in me

Yeah, do you believe in magic
Believe in the magic of a young girl's soul
Believe in the magic of a rock and roll
Believe in the magic gonna set you free
Aaahhh, yea, heah

Do you believe in magic, yeah
Do you believe like I I I believe
Now do you believe like I believe in magic
Do you believe like I believe in magic
Do you believe like I believe in magic
