

# John Mellencamp, Let It All Hang Out

I preach my dear friends you are about to receive on John Barley  
Corn, nicotine and the temptations of Eve.  
[John doesn't sing/say this first verse]

No parking by the sewer sign  
Hotdog my razor broke  
Water dripping up the spout  
But (hey) I don't care - Let it all Hang Out

Hanging from a pine tree by my knees  
Sunshine through the shade  
Nobody knows what it's all about  
It's too much man - Let it all Hang Out

Saw a man walking upside down  
My TV's on the blink  
Make Galileo look like a boy scout  
Sorry about that - Let it all Hang Out

Sleep all day, drive all night  
Brain my numb can't stop now  
For sure ( ) ain't no doubt  
Keep an open mind - Let it all Hang Out

It's raining inside a big brown moon  
How does that mess your baby up leg  
Eating a reuben sandwich with sauerkraut  
Don't stop now honey (woman) - Let it all Hang Out

Man in the straw house  
Sure don't know what he's talkin' about  
Don't leave me standing  
On the front porch baby  
Makes me feel like I'm selling something  
Ask me in - Let it all Hang Out
