

John Prine, I Had A Dream

I had a dream last night
Last night I had a dream
Everything was black and white
And it smelled like gasoline
We stood in the corner
And I held you tight
I kissed your mouth
Till my head got light
Last night when I had a dream

I had a dream last night
Last night I had a dream
Birds were flying left and right
Thru the light of a movie screen
Everyone was looking
For something to do
I even thought
I had a chance with you
Last night when I had a dream
