

# John Prine, Killing The Blues

Leaves were falling ..Just like embers  
In colors red and gold they set us on fire  
Burning just like a moonbeam ...in our eyes

Chorus:  
Somebody said they saw me  
Swinging the world by the tail  
Bouncing over a white cloud.  
Killing the Blues

I am guilty of something  
I hope you never do because there is nothing  
Sadder than losing .. yourself in love

Repeat Chorus:

Repeat Chorus:

Now, you ask me Just to leave you  
To go out on my own and get what I need to  
You want me to find ..what I've already had
