

John Prine, Love Is On A Roll

I can't work late
Although I need the money
Gotta get home to my lovin' honey
She'll be there waitin'
Waitin' Impatiently
Love is on a roll, love is on a good roll

Ah, love is on a roll
Ah, love is on a good roll

I'm a songwriter
A professional dreamer
Mostly a singer but sometimes a screamer
I should know
If anybody knows at all
When love is on a roll, love is on a good roll

So I gotta go. I gotta get home early
Be with my woman soft and curvy
Makes me feel like a king and not a regular joe
Love is on a roll, love is on a good roll
Love is on a roll, love is on a good roll
